& grills

aoc

AOC offers you and your customers barbecues and grills for a delightful outdoor cooking experience.

All products are enameled for better resistance to external conditions and scratches.

Grill grates are stainless alloy products.

Double-level grills provide two cooking areas and products with separable-portable legs can also be used on the tables.

Our new product 'LPG' Gas Grill has a portable structure with folding legs and ensures a homogenous delicious cooking / grilling thanks to lava stones.
